shaping the way we sit

Railway and bus stations, ship terminals, and airports are in our mobile society the gateways to the global world. Especially the international airports provide proof of our core competence in the furnishing area travel. Over 260 airports worldwide have been furnished with our airport seating, bench configurations and lounge furniture. These series, which are specifically designed for these public environments, meet the highest standards with regard to safety, functionality, design, comfort, and utility value. Add to this our experience and know-how in planning and project management, on which architects and project developers can rely. Kusch+Co offers the best possible interior design solutions not only for waiting areas, but also for conference rooms, restaurants, counters, tower, offices and service areas.

Bahnhöfe für Bahn und Bus, Terminals für Passagierschiffe sowie Flughäfen sind in unserer globalen Welt die Schnittstellen der mobilen Gesellschaft. Vor allem die internationalen Airports zeigen unsere Kernkompetenz im Einrichtungsbereich Travel. Über 260 von ihnen weltweit sind mit unseren Wartebänken, Sitzinseln oder Loungemöbeln eingerichtet. Die eigens für diesen Einsatz entwickelten Programme erfüllen die hohen Anforderungen an Sicherheit, Funktionalität, Design, Komfort und Gebrauchsnutzen. Hinzu kommen Erfahrung und Know-how in Planung und Projektierung, worauf Architekten und Projektentwickler gerne zurückgreifen. Nicht nur für Wartezonen, auch für andere Bereiche wie Konferenz, Restaurant, Counter, Tower, Office und Services bietet Kusch+Co optimale Einrichtungslösungen.
